“WHEN” SORTING ACTIVITY

**Look at the
picture card**

**Listen to the
question**

**Put the picture
card onto the
correct board**

A stylized illustration of a night sky. The background is a deep blue, filled with numerous small, white, five-pointed stars of varying sizes. Several larger, soft-edged, light blue clouds are scattered across the sky. In the upper right quadrant, a large, bright white moon is depicted, showing a cratered surface and surrounded by a glowing, multi-layered aura. The bottom of the image features a dark, silhouetted horizon line representing the ground or a distant shore.

Night

An illustration of an evening sky. The sky transitions from a deep purple at the top to a lighter blue towards the horizon. A large, bright yellow sun is partially obscured by a dark purple horizon line on the left. A large, white, cratered moon is in the upper right. Numerous small yellow stars are scattered across the sky. There are several light blue, fluffy clouds. The entire scene is framed by a thick green border.
