Tapestry – Activation

Dear Parents,

I am delighted to let you know that your Tapestry accounts are now ready for activation. You should have received an email from Tapestry today asking you to activate your account and set up your own password. I have attached handouts explaining how to use Tapestry for both Android and iOS and more information can be found at <https://www.tapestry.info/>

Within the handouts, there are also instructions on how you can view observations made within school as well as add your own to your child's accounts. These will be seen by your child's Class Teacher, Classroom Support Professional and myself. More information regarding observations made within school and the frequency at which they will be added to your child's account will be shared on Monday 1st October during your Curriculum Evening.

I hope you enjoy following your child's learning journey throughout this year!

Kind regards

Mrs Harley-Preller

Phase R/1 Leader
