Dear Parents and Carers

### Parking Outside School

Due to a road accident outside our Burford Road setting involving one of our pupils yesterday, we would like to remind all parents and carers of the need to park with care when dropping off and collecting children at the start and end of the school day. When parking, please ensure that you do not block dropped kerbs or neighbours' driveways and that you do not park on the zig zag yellow lines outside either setting at any time, including when dropping off at Breakfast Club or when collecting children from after school clubs and activities. We would also like to remind all parents and carers that no vehicles should park on the 'drive' outside the Turning Circle gates at King's Road as this also causes a potential hazard for our children.

In order to ease congestion and help us to ensure the safety of our pupils, we would strongly advise parents to use the car park located at the end of Burford Road. This is available to all parents and carers and allows you to park for 30 mins free of charge - you can put a notice on your dashboard to say you are picking up from school. Our local policing team will be carrying out regular checks and may issue tickets if vehicles are parked dangerously or illegally.

The safety of our pupils is of extreme importance and we are very keen to ensure that everyone plays their part in using a common sense approach to safety and avoiding future accidents, which could potentially prove to be fatal.

Yours sincerely

*PP. Sian Harley-Preller*
