## Remembrance Day

### LEST WE FORGET

Thank you to all the parents and children who supported the Royal British Legion's Poppy Appeal by purchasing poppies, wristbands and zip pulls over the last week. At 11.00am today, children and adults across both settings held a minute's silence as a mark of respect for all the men and women who lost their lives fighting for this country.

### THIS WEEK'S ACHIEVEMENTS

#### Golden Tea

Congratulations to Dominic, Kaloyan, Archie, Stanislaw, Alfie, Teodora, Harry, Lily, Isla, Jenson, Mason and Khaleesi. These children proudly shared their progress and achievements with Mr Coaché and Mrs Potter whilst enjoying a delicious cake.

#### Little Stars

Congratulations to Felix, Tom, Nevaeh, Matas, Dominic and Tym.

#### Golden Assembly

Congratulations to Daisy, Natan, Oscar, Delilah, Iga, Samira, Isla, Arabella, Hendri, Wiktorina, Harriet and Joshua.

This afternoon, Year 5 performed their Remembrance Service to parents. The children represented the whole school beautifully, performing a range of war poetry and song with an emotion that really captured the atmosphere of the day. Everybody was impressed by the children's confidence and maturity and we are very proud of all the year group for their fantastic performance.

Congratulations to Anabelle whose beautiful Christmas card design has been chosen for this year's school Christmas card.

Congratulations!

#### Happy 60th Birthday Mrs Booth!

On Monday, we sang a celebratory 'Happy Birthday' to our MAT Business Manager, Mrs Booth, who turned 60 last weekend. We were delighted to be able to show her how much she is appreciated by all pupils and staff at Bengeworth for always making sure our finances are ship-shape and that the office team are looked after.

We would like to wish Miss Curnock very many congratulations on graduating from the University of Worcester last Friday.

# DINOSAUR DISCOVERY

This week Year 2 were lucky enough to make an exciting discovery on the school field...a mysterious nest! The children made predictions, asked questions and carried out research before deciding they must be dinosaur eggs. They cannot wait to watch them hatch and write their very own dinosaur stories.

## Social Cog Awards

Children across the school have been recognised for their outstanding achievements in PE lessons over the last half term with teachers selecting a child from each class to celebrate. These children were awarded a certificate working well as part of a team, helping and praising others as well as listening to other pupils' ideas towards their learning. Well done to all those who won a Physical Education Award. This half term children will be focussing on the Personal Cog in their PE lessons.

Reception's nativity rehearsals are well underway and they are working hard to learn their parts. They are very excited to tell the story of Christmas and show off their amazing singing skills!

# MAKING A SPLASH AT KING'S ROAD

Year 2 and 4Avon have started their intensive water safety and swimming lessons this week at King's Road in our 'Pop-up pool' on the playground. Pupils have been busy persevering and listening intently to the swimming instructor and showing all of our school values while learning an important life skill. What an exciting time for the children!

## PARKING REMINDER

We would like to remind all parents and carers to park considerately and safely when dropping off and collecting from school. This includes not blocking the driveways of our neighbours, parking on the zig zag yellow lines or on double yellow lines; all of these mean that the roads around our schools are unsafe and put our children at risk of injury. Thank you.

We would like to remind parents that children must bring a warm coat to school each day. If they do not have a coat, they may not be allowed outdoors during the school day.

Thank you to all parents and carers for their patience and flexibility while works were carried out on Burford Road this week. Hopefully, the actions taken by Severn Trent will reduce the risk of flooding in the future.
