### Farewell to Mrs Watts

This week staff and children said fond farewells to Mrs Watts. Mrs Watts has worked at Bengeworth for over 16 years in a number of different roles, but mostly in the school kitchen serving lunches to children at our King's Road setting. We will miss her sunny smile at lunchtimes but all wish her the best of luck for her new adventures.

### Smile for the camera!

## A 'poo'cular discovery in Year One!

In science this week, children in Year One learnt about the diets of different animals and learnt that some animals are carnivores, some are herbivores and some are omnivores. They then discovered some animal 'poo' (melted chocolate!) outside, which they explored to work out which type of animal it could have come from. Some contained meat, some contained grass/ seeds, and some contained both!

# WYCHAVON Residents' survey

The annual Wychavon Residents' Survey runs until 23 October and gives people across the district an opportunity to say what they think of their local area and services. This year, the survey includes questions on how the cost-of-living crisis is impacting residents. Feedback will be used for purposes of consultation and research in order to improve services and the results will be published anonymously on the council website. The survey takes about 15 minutes to complete but progress can be saved so it can be completed in stages. Please see the link below to complete this years Wychavon Residents' Survey.

## NATIONAL POETRY DAY

+ 6TH OCTOBER 2022 +

Yesterday we celebrated National Poetry Day across the school. The children gathered together for an assembly around this year's theme of Nature and the Environment. Children at King's Road helped to create a short poem within the assembly; we were amazed by the thoughtful contributions. Our younger children at Burford Road shared some poems around the theme before joining together to recite some familiar nursery rhymes.

## ROUNDERS CLUB

This week in rounders club the children have been working on batting skills as well as using good communication to improve their fielding. The children loved this practise and some children even hit the ball across the whole playground!

## RUNNING CLUB

Our runners have been displaying fantastic perseverance so far at running club. They have begun each session with running games to warm their bodies up, followed by a twelve minute run/jog/walk during which all are encouraged to keep moving for the full duration. This is only week two, but already more children are running than walking! Great job runners!
