Year 1 Mothers' Day Service

Congratulations and thank you to our Year 1 children who, after rehearsing really hard this week, led a beautiful and thought-provoking Mothers' Day service in St Peter's church today. The children shared their learning about the history of Mothers' Day through songs, poems and letters which touched the hearts of all who attended, saying a special 'thank you' to mothers, grandmothers and other really important ladies in their lives.

THIS WEEK'S ACHIEVEMENTS

LITTLE STARS

Congratulations to Gabriela, Mari-Lene, Erin, Alfie, Ellis and Teddy.

GOLDEN ASSEMBLY

Congratulations to Jonas, Willow, Viktoria, Max, Emily, Aurelia, Cian, Mia, Isabelle, Daisy, Freya and Elsie-Rae.

RED NOSE DAY

10-19 March
British Science Week
2023

Science Week

Over the past five days, the whole school has been celebrating British Science Week with children using their scientific skills to investigate, research, observe and predict the results of a range of exciting experiments that link with curriculum themes for this term. From comparing the national flowers from the countries of the UK to testing diets from Roman times, investigating solids, liquids and gases for creating the perfect habitat for insects. It's been a very busy and exciting week for everyone!

Our Bengeworth red school uniform was further enhanced with additional red accessories as children celebrated Red Nose Day yesterday. From red bow ties to red hair, the children entered into the spirit of this important fundraising day and we would like to thank everyone who made a donation.

If you would still like to do so, please donate via [our just giving page here](#).

Nursery News

As construction continues for our nursery, our leaders are busy in the background studying for The Curiosity Approach accreditation and choosing furniture and resources to bring our vision to life. Don't miss out on securing your child's space by visiting www.bengeworthacademy.co.uk/thenursery

Vacancies

We are currently looking for two **Lunchtime Supervisors**

For more information and a application form please visit www.bengeworthacademy.co.uk/vacancies

Reception Reading Breakfast

Thank you to all parents who joined us on Wednesday for our Reception Reading Breakfast. The children enjoyed a range of activities to help build their confidence in reading whilst enjoying yummy croissants and juice. Thank you again for your continued support.

Funky Friends Club

This week in Funky Friends club the children discussed what qualities a good friend should have. They then represented this with a fruit; banana- fun, apple- helpful, strawberries- kindness, blueberries- forgiveness, orange-sharing which were all then mixed together with some yoghurt which represented love. The children helped chop it up and mix it together before sitting back and enjoying their friendship fruit salad!

SENCo Drop In

Mrs Senque, our Inclusion Lead, will be hosting a SENCo drop in on Wednesday 19th April. This drop in session will continue to be offered on a half term basis. This will enable parents and carers the opportunity to ask questions, and discuss any concerns that they may have.

Please email Mrs Senque directly to book a slot: rcl8@bengeworth.worcs.sch.uk

After School Scientists!

This week children in Night Owls continued the Science Week theme, conducting a series of investigations around the theme of colour. They all loved exploring what happens to Skittles when warm water is added as well as making rainbows with water and felt tipped pens. The children were delighted with the outcomes of their experiments and fascinated by what they learnt.

Origami Club

In origami club, the children have been learning all about the basics of origami, which is the art of paper folding. They have been putting their new knowledge into practice and have created some incredible pieces of origami, including a jumping frog! The children are working on a project which will showcase all of their hard work and can't wait to see their final results!

Pre Loved Uniform Sale

Don't forget we will be holding a Preloved Uniform Sale at our Burford Road setting outside Year 1 on Tuesday 28th March between 2.45pm and 3.45pm. There will be lots of second hand, good quality Bengeworth uniform including cardigans, jumpers, PE kit, shorts, summer dresses, trousers and skirts with all sizes for children from Reception to Year 5.

Held at Greenham United FC

Year 5 PGL Trip

The excitement in Year 5 is definitely growing as children look forward to their long-awaited residential trip to Paris, France next week. Departing on Monday morning, everyone is looking forward to a week of new adventures including a night time tour of Paris, a trip up the famous Eiffel Tower and, of course, a day in Disneyland! We cannot wait to share our experiences with you on our return but, in the meantime, keep an eye on our social media page for updates and photographs. Bon Voyage!

bafling building dilemmas

On Monday, children in Reception were visited by builder Josh who came to talk about a very BIG problem! Unfortunately, the brick company had run out of bricks so Builder Josh set the children a challenge to build with the only material he had left, biscuits! The children then used their scientific skills to predict, plan and investigate which kind of biscuit would work best to build our Nursery.

Zumba Kids Club

The children are enthusiastically busting moves and keeping fit in our Zumba Kids club. They have explored different rhythms and dances from around the world, showing amazing zumba skills.

Musical Achievements

Many congratulations to Emily, Rory, Honey and Bethany on achieving a pass grade in their Copper Music Medal for the recorder. We commend them on their unwavering dedication to their musical education.
