CIRCLE OF LIFE

Year Five wowed children and parents alike this week with their wonderful performance of Disney's The Lion King. The hall became an African Savannah full of wildebeest, giraffes, zebras and elephants to name but a few. Dressed in spectacular costumes and in front of a stunning backdrop, the children retold the well known tale accompanied by talented actors, beautiful singing and enthusiastic djembe drummers. A huge well done to all of Year Five who acted, sang, drummed and danced incredibly and a special thank you to the wonderful stage hands, tech teams and lighting crew for helping the show run seamlessly. What a roarsome bunch you all are!! The performance has been filmed and further details of how to obtain a copy will be sent out in due course. Congratulations, Year Five, on a stunning end of year production!

THIS WEEK'S ACHIEVEMENTS

GOLDEN TEA

Congratulations to Amelia, Toby, Luca, Alex, Elisa, Jakub, Arabel, Layla, Milo, Alesia and Max. These children proudly shared their progress and achievements with Mrs Shaw and Mrs Potter whilst enjoying a delicious cake.

This week we had the pleasure of welcoming Golby Films back into school to put together a short video. We are aiming to capture the essence of what it is like to be a child at Bengeworth to share with current and prospective parents. We cannot wait to see the finished video and share with you all.

Potato Growing in Year 2

This week Year 2 have harvested the potatoes they have been busy growing and donated them to Mrs Clemson in the school kitchen. The kitchen then prepared them for Year 2 to eat alongside their pizza on Tuesday. The children were amazed by how many potatoes each class harvested and how great they tasted!

Looking at Evesham

Children in Year One enjoyed an informative walk into Evesham on Wednesday as they went on a search to find a suitable place for Bob to take off from in his rocket. Having explored both maps and the open spaces in our town, the children have decided that Abbey Park would be the best place for the rocket launch to take place which would give Bob lots of space for his rocket. Well done Year 1, what super geography fieldwork!

The Year 3 Big Sleepover

For the first time ever, children in Year 3 had the opportunity to sleep over at school this week. Everyone had great fun returning to school for an evening of team games, movie and popcorn before settling down for bed in the hall. It was an early start to the next day as the children enjoyed a hot breakfast cooked on the fire at Burford Road and a morning of fun-filled activities at forest school.
