## eco week

What a super eco week everyone has had! During the past five days, the children have enjoyed an informative workshop with Karen and have picked up 28 bags of litter containing over 4000 items from the local environment, which even included a shopping trolley that was found in a bush! The whole school has worked hard to save electricity, including reminders to teachers to turn lights and whiteboards off. The week finished with a sea of children dressed in green and a wonderful outdoor classroom day. Well done everybody.

Our dress in green day raised a fantastic **£436.84** which we will use towards a hotbin - a special type of compost bin that can take cooked as well as raw food. Or Eco Team thought that this would be a really good way to recycle the kitchen waste we currently have in school.

## Fun and Frolics on Fairytale Farm

On Tuesday, children in Reception visited Fairytale Farm. They had a wonderful time exploring the fairytale themes and spotting characters and locations from their favourite stories. The children also had the opportunity to meet some furry friends, including Rapunzel the pig! We were very proud of the children whose behaviour was exemplary, resulting in many compliments from the staff who work at the farm. The children are now looking forward to their very own Ball next week which will finish off this much-enjoyed topic.

## Nursery News

Further developments have been taking place behind the scenes with our dedicated staff attending training last Sunday focusing on the Curiosity Approach Accreditation. Mrs Harley-Preller and Mrs Shaw came back full of excitement for what lies ahead for the Nursery as the curriculum and learning environment develop.

## EARLY YEARS'

### Wishlist

We are on the lookout for a range of resources for our Early Years. If you have any of the following, or do not mind adding an item to your shopping basket, please bring them to either the Burford Road or Kings Road Office for the attention of Mrs Lowe.

Conkers, Pinecones, Shells, Wooden Disks and Metal Sieves.

## INCREDIBLE SWIMMING ACHIEVEMENTS

Over the last two weekends Jasper has competed in the West Midlands Regional Swimming Championships, qualifying for 3 events and reaching the finals 3 times. We are very proud of Jasper for his incredible achievements when competing with the older age group (11/12 years).

## Vacancies

Bretforton Village School are looking for a Classroom Support Professional.

Visit [www.bengeworthacademy.co.uk/vacancies](http://www.bengeworthacademy.co.uk/vacancies) for an application form and job description.

## Parking Reminder

We would like to remind parents and carers to park considerately and safely when dropping off and collecting from school. We continue to receive a large number of complaints from neighbours. In addition we would also like to remind parents and carers to not leave parked vehicles unattended with the engine running or leave a vehicle engine running unnecessarily while the vehicle is stationary on a public road. Thank you.

## Hakuna Matata!

Auditions and casting has taken place for this year's Year 5 production; The Lion King. The children have received their scripts and song lyrics and are excited for rehearsals to get well and truly underway.

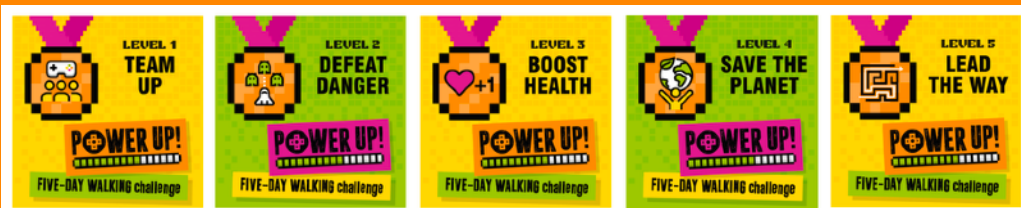

Although further ticket information will be sent in due course, we would like to ask Year 5 parents and guardians to please leave Tuesday 4th July, Wednesday 5th July and Thursday 6th July free in your diary as these will be the dates of this year's performances. The Year 5 team would like to thank everyone for their incredible hard work and effort ahead of the auditions- you really are a fantastically talented group of children. It will be a brilliant show!

## Sun Cream

Now that the weather has improved, we would like to remind all parents and carers that a long-lasting high factor sun cream should be applied to your child before school. Please do not send in any sunscreen for them to apply themselves.

## WALK TO SCHOOL WEEK

As part of Eco Week the children took part in 'Walk to School Week' this week where they were encouraged to leave their cars at home and come to school by foot. The classes were in competition to achieve the highest number of walkers. The winning classes will receive house points next week.
