Our Christian Value this half term is *Trust*

In collective worship and spiritual reflection this week, the children reflected on the importance of Remembrance and the sacrifice made by soldiers both past and present.

When the rainbow appears in the clouds... I will remember the promise that continues forever. It is between me and every living thing on the earth. - GENESIS 9:16

Children in Need

We raised an incredible £449.50 for Children in Need with our fantastic forest fun session today. The children worked brilliantly together to make their own giant Pudsey face using natural objects, went looking for Pudsey in the forest and enjoyed delicious s'mores and hot chocolate! Well done to Miss Herron and the Events Team

ATTENDANCE MATTERS

at Bengeworth Academy

Our classes with the highest attendance this week are...

William Hamley's Toy Extraordinaire

Reception's fabulous topic of Toy Story started with a special invitation from William Hamley himself. They explored the old toy emporium and engaged with a range of toys from the past!

THANK YOU!

Thank you for all your kind donations to the Royal British Legion. Once we know the total amount that we have raised we will let you know.

LEST WE FORGET!

Our pupils in Year 5 led a beautiful Remembrance Service for parents and carers on Monday afternoon. Sharing their own emotive war poetry and songs, all pupils demonstrated how much they have learnt through their World War One topic and adults were moved by the reflective and thoughtful performance. A big well done to all involved.

PHONICS WORKSHOP

Early reading was at the forefront of the phonics workshop that has taken place in Year One. Parents were able to explore the level 5 sounds that are being taught to their children and then have a go at sounding out real and alien words.

Thank you to all of the parents who came and we look forward to welcoming you at the next phonics workshop.

2 Avon Class Assembly

2 Avon had the pleasure of sharing all of their learning about the NHS with their families this week. From when the NHS was started, to their dreams of becoming NHS heroes when they grow up. We were all very proud of their singing and speaking to champion their fabulous Autumn 1 topic. Well done, 2 Avon!

CURRICULUM+ CLUBS

This week, our wonderful range of Curriculum+ Clubs started for this half term. Table tennis, cookery, karate, dance and Christmas Crafts are to name but a few. It was delightful to see our pupils engage so enthusiastically within the clubs and we look forward to introducing more throughout the year
