Our Christian Value this half term is
Perseverance

In collective worship and spiritual reflection this week, the children learnt about the story of David and Goliath and the importance of being brave when faced with problems which seem gigantic.

When the rainbow appears in the clouds... I will remember the promise that continues forever. It is between me and every living thing on the earth. - GENESIS 9:16

Last day of half term

"BENGWORTH CE ACADEMY IS A HAPPY AND VIBRANT PLACE FOR PUPILS TO LEARN."

It is with great pleasure that we can now inform you of the results of our recent Ofsted inspection, the first inspection as an academy, which took place on 28th and 29th November 2023.

The report is extremely positive and reflects the excellent progress we have made as an academy under a new framework, very different to that used during our last full inspection in 2011.

The inspectors concluded that Bengeworth CE Academy is a Good school, with an Outstanding grading for Personal Development.

We are all delighted that the report recognises the underpinning strengths of our school.

A full copy of the report can be found by visiting our website.

"Pupils gain a strong understanding of the school's guiding values and they put these values into practice."

The Nursery

A WONDERFUL OUTSIDE SPACE

We are delighted to inform you that after a year of building work, last Friday the contractors handed over the final part of the Nursery building.

Our youngest children are now able to enter their Nursery classrooms through their cloakrooms and are also able to use the outdoor space as a learning environment to enrich their experience.

We would like to thank parents and carers for their patience and support during the building works and look forward to seeing the ongoing enhancement of our Nursery provision over the coming months.

A STONE AGE SPECTACULAR

On Tuesday, children in 3Avon proudly shared all of their learning around last half term's topic, 'Stone Age'. They did a fantastic job of re-telling the story of The Stone Age Boy and shared lots of interesting facts. All the children spoke clearly as they shared their key text, acted, danced and sang with great confidence. What a great performance!

Walking through History

Children in Year 2 had a wonderful time walking into Evesham on Wednesday to explore all the Tudor buildings we have in our local area and comparing them to pictures the children have seen during their our History topic 'The Great Fire of London.' Who would have thought there would be so many? To top off the educational visit Year 2 popped into Lawrence's Bakery to collect some freshly baked bread. Delicious!

Cookery club

The children at Cookery club have been creating some familiar friends this week. Using different fruits, children carefully made their very own prickly, but edible and delicious hedgehogs.

BURFORD ROAD NEW EXIT AND ENTRY ARRANGEMENTS

Letters regarding the new entry and exit arrangements for Burford Road were sent out via ParentPay earlier today. Please make sure you familiarise yourself with the new procedures regarding gate opening times and how to access the school during the school day. If you have any questions or difficulties, please speak to a member of staff.

CONSIDERATE PARKING

As a result of ongoing issues raised by our neighbours and concerns over the increased risk of avoidable accidents, we would like to remind all parents and carers to remember to park considerately both in the morning and in the afternoon.

We therefore ask that parents and carers:

- Do not park on zig zag lines outside either school setting, even for a short while.
- Do not park on the double yellow lines, including those outside the entrance to King's Road.
- Do not block driveways and entrances to our neighbours' properties.

We thank you for your help and cooperation in this matter.

**THINK BEFORE
YOU PARK!**
