Our Christian Value this half term is  
**Forgiveness**

In collective worship and spiritual reflection this week, the children learnt about the unforgiving servant.

## THIS WEEK'S ACHIEVEMENTS

Congratulations to the children who have been recognised this week in Little Stars for consistently demonstrating our Christian Values of friendship, forgiveness, responsibility, respect, perseverance and trust.

Congratulations to Ariella, Ava, Mia, William, Walter and Leo.

Congratulations to Emma, Imogen, Gradimir, Samiha, Anca, Mason, Victoria, Honey, Harper, Jacob and Presiyan.

## GOLDEN TEA

Congratulations to Walt, Maria, Harper, Ruby, Daniel, Jan, Robin, Evie, Dayana, Logan, Niall and Zainab.

These children proudly shared their progress and achievements with Mrs Potter and Mrs Shaw whilst enjoying a delicious cake.

When the rainbow appears in the clouds... I will remember the promise that continues forever. It is between me and every living thing on the earth. - GENESIS 9:16

## VIKINGS TALL AND STRONG

5Teme did an amazing job this week, presenting their learning about the Vikings to parents and the rest of the school with confidence during their class assembly. The children expertly shared their learning with their audience, entertaining them with interesting facts and well-sung Viking songs.

## A Park Adventure

This week Year 2 have had the amazing opportunity to visit Jubilee Gardens. Despite the rainy weather, the children enjoyed sliding, swinging, jumping and climbing on the park equipment. The opportunity allowed the children to write a fantastic recount of their morning and produce a map aerial view of the park.

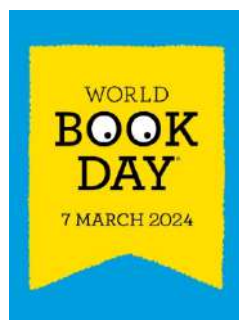

As part of the Reception topic: 'People who help us', Reception children undertook some Police Academy Training this week. During their training the children practiced balancing, hopping and jumping. As you can see after all this training, the new recruits are ready to look for that pesky Evil Peal!

## ATTENDANCE MATTERS

Our whole school target for attendance is 97%. Last week our attendance was just over 93%. We know that there have been so many horrible illnesses around, especially at this time of year, however, we would love

to see an improvement next week. If you are unsure of whether your child is well enough for school, it is always better to try the day, your class teacher will always call if your child is too unwell to be in school.

## Who can read in the most unusual place?

To celebrate World Book Day, we are hosting a reading challenge. We are asking children to find the most unusual place to read their book and send us a photo of them reading in that weird and wonderful setting. We look forward to seeing all the entries and will share some of them in the Newsletter next week. Thank you and happy reading.

### PARENTS' EVENING

Thank you to all parents and carers who attended parents' evening this week. We hope you found them useful and informative. If you were unable to attend for any reason, or did not manage to make an appointment, please can you speak to your child's class teacher.

## School Uniform Reminder

We would like to ask all parents and carers to check that their children are wearing the full correct school uniform, including school shoes, not boots, and to ensure that names are clearly visible in all items. We would also like to remind parents that tights should be red or grey rather than black or white. A copy of our uniform policy is available on the school website. If your child does not have the correct uniform, we may telephone you to bring the correct uniform to school.

## Bengeworth Country Quiz

Language Leaders would like to invite all children in our school to take part in a competition about countries of the world. Every 2 weeks they will present items in a curiosity box which will be specific to one country and represent its best-known features. We invite you to join in the fun where you can expand your geographical knowledge.

**COMIC RELIEF**

Red Nose Day is being celebrated on Friday 15th March and the theme this year is 'Do Something Funny for Money'.

To support this wonderful charity, the Events team would like to invite all children to come to school with crazy hair and odd shoes alongside their school uniform.

We would like to invite our school community to use the QR code below to donate to Comic Relief. Any donation really will make a huge difference to children and families' lives in a time when it is needed most.

## On the hunt for Spring

Gardening Club have been very busy this week, exploring the school grounds in search of signs of Spring. They were extremely successful in their search as they found tulips, daffodils, and buds starting to grow on the trees.
