Dear Parents and Carers

Year 6 Plans

I am writing to inform you that we have been unsuccessful in our initial application to the Regional Schools Commissioner to introduce a Year 6 at Bengeworth CE Academy, due to evolving Local Authority policy creating a contentious element to the proposal.

This means that our plans to introduce Year 6 at our school and become a full Primary academy will be delayed whilst we resubmit our application as a Full Business Case. We anticipate being in a position to offer Year 6 places from September 2020.

Whilst we are disappointed by this decision, we still strongly believe that working within the same education system arrangements as the rest of the UK will provide the best outcomes for our children in the long term and we are resolutely committed to achieving this in our plans.

Yours sincerely

David Coaché
