Our Christian Value this half term is
Respect

In collective worship and spiritual reflection this week, the children explored the story of the Tall Tower.

When the rainbow appears in the clouds... I will remember the promise that continues forever. It is between me and every living thing on the earth. - GENESIS 9:16

Chick chick chick chick chicken...

Nursery welcomed their very own chicks this week as a result of the £342 raised from their Bounceathon. The children have been fascinated by the eggs in the incubator and have been excited to see the eggs hatch one by one. As of this morning, we had 9 chicks that had successfully hatched. Thank you to everyone who helped raise money so Nursery could take part in this project!

Bikeability

This week some children in 5Avon showed off their cycling abilities by taking part in 'Bikeability'. They started the week building up their confidence by cycling on the school playground before taking to the roads with their instructors. The children had a wonderful time, well done to everyone who took part!

THIS WEEK'S ACHIEVEMENTS

Congratulations to the children who have been recognised this week in Little Stars for consistently demonstrating our Christian Values of friendship, forgiveness, responsibility, respect, perseverance and trust.

Congratulations to Matei, Connie, Patrick, Esmae, Riley, Jack and Harry.

Congratulations to Oliver, Vivien, Tom, Alex, Jayden, Dayana, Adriana, Harry, Charlotte, Oliver, Lexie and Richard.

GOLDEN TEA

Congratulations to Maria, Rory, Freddie, Olivier, Siyana, Jack, Sofia, Julia, Jayden, Max, Joseph and Oscar.

These children proudly shared their progress and achievements with Mrs Potter and Mrs Shaw whilst enjoying a delicious cake.

ATTENDANCE MATTERS

at Bengeworth Academy

Our classes with the highest attendance this week are...

RESPECT

PERSEVERANCE

FRIENDSHIP

RESPONSIBILITY

TRUST

FORGIVENESS

An afternoon at Cavendish Care Home

Today in their intergenerational project, Nursery children 'visited the seaside' and played row, row, row your boat. Everyone enjoyed meeting their friends at Cavendish Care Home again, and the children's happy smiley faces delighted the residents. Our Nursery children were a credit to the school once again, demonstrating our Christian values at every turn.

ROCKET READERS

The children at our Burford Road setting have been introduced to a new reading journey that is on display in each of the classrooms. Every time a child is heard read either at home or in school, their 'character' will move further up into space. When children reach the moon they will receive 2 house points. Thank you all for your continued support.

Betsy the Reading Dog

The children at our Burford Road setting welcomed Betsy the Reading Dog back this week.

Children from Nursery to Year 1 enjoyed reading to Betsy today and we think Betsy thoroughly enjoyed hearing lots of wonderful stories.

Betsy will be back next week at our King's Road setting to listen to more fabulous readers.

LCS LONDON MARATHON

MARATHON RUNNERS

Congratulations to Mrs Packer and Mr Hunt for running their respective marathons over the past few weekends.

We are very proud of these members of staff for showing such commitment, as well as demonstrating our value of Perseverance to achieve their ambitious goals.

BRIGHTON MARATHON WEEKEND

Music Tuition

Children who attend music tuition lessons at our King's Road setting have been progressing exceptionally well throughout the year.

Children from year 2 onwards have the opportunity to learn violin, recorder, flute, drums and clarinet, whilst children in year 3 onwards also have chance to learn how to play the guitar or piano.

Letters detailing how to register your child for music tuition will be sent home before the end of the academic year ready for September.

HEALTH SCREENING PORTAL FOR RECEPTION

The school nurse team delivered some stickers for the Reception children this week. These stickers have details about a free health screening portal open to parents. By completing the questionnaire on the portal, parents are then free to access resources and support from different teams. The questionnaires are also reviewed and triaged by Specialist Public Health Nurses (previously known as School Nurses) and parents may be offered further confidential support from their service or other relevant providers.

To visit the portal, please visit: - <http://qlink.uk/WR270/140932>

SPACES AVAILABLE FOR 3-4 YEAR OLDS

September 2024

REGISTER YOUR INTEREST

Staying Safe

We are becoming increasingly concerned about the number of children playing on the walls and banks at both our settings. Please ensure that your child does not climb on these areas of the school.

SSEVERN BIKEABILITY

SSEVERN will be taking part in the Bikeability scheme next week, starting on Monday 29th April. Please see the letter that was sent to you via ParentPay regarding details of the week.
