Dear Parent/ Carer,

## Inspire Through Sport Initiative

In response to a question raised by a parent this morning, I would like to provide an update relating to the 'Inspire Through Sport' initiative, in which we participated earlier this year.

Due to our pupils amazing fundraising efforts, the school were awarded over £500 to spend on PE equipment and this order has been placed. We are still awaiting the delivery and can't wait to start using the new equipment.

However, having recently received the prizes for the children's fundraising efforts, it became clear that we were not sent enough prizes for all of the children to receive the correct individual prize for the money that they had raised. The company has now committed to sending out the correct number of certificates, wristbands and packs to ensure all pupils who raised money receive the appropriate reward. As soon as we receive these, we will distribute them accordingly.

We would like to thank you once again for supporting your child and the school in this fundraising initiative and we apologise for the delay in providing children with their reward.

Yours sincerely

Mr Edkins  
PE Lead
