Dear Parents,

Year 2 Government Testing Arrangements Important Meeting on Monday 11th February 2019 5.45pm at Kings Road

This year, compulsory government tests will be administrated to all children at the end of Year 2. These tests will take place in May 2019 and have been written in line with the National Curriculum.

Due to the significant changes to the way children are assessed at the end of Key Stage 1, we would urge you to attend an important meeting on Monday 11th February. This vital presentation will highlight the key changes in expectations and scoring, give examples of test papers pupils are expected to complete and outline ways in which you can support your child's learning at home.

This presentation will be extremely beneficial for all parents in order to ensure you have a clear understanding of the impact these tests have on the performance of your child and on our school.

Please complete the slip below by Monday 4th February to indicate how many adults will be attending. The meeting will be no longer than 45 minutes and, due to the nature of discussion, will be for **parents only**.

Yours sincerely

V Tillotson, A Pinkney, N Snowdon, A Chilvers
