8th January 2019

Dear Parents/Carers,

I am proud to announce that our school has booked a very exciting music project - we are recording our own CD! A professional mobile recording studio will be visiting our school on Friday 1st February 2019. Every child will be involved in the CD recording, singing songs together as a whole school. Alongside this the school choir will be performing songs that they will perform at the Young Voices concert later in the month.

We are also running a competition to find the best artwork design and the winning design will become the CD cover. Every child can enter by returning the attached sheet by 14th January 2019. Your child can use felt tip pens, pencil crayons, paint or anything else colourful to fill in the box with a musical themed design. As everything outside the box will be cut away for the printing process, please make sure you fill the box right to the edges, but don't put any important parts of the design or writing close to the edge.

The CDs are going to be sold by school for £7.99 each and profits raised will go towards enhancing music across the school. The CDs are strictly limited edition, and you can't buy them in the shops! They will be distributed on a 'first come first served' basis. As well as a great memento for the children to own their own CD, we are sure you will enjoy it too, and it will also make a great present for loved ones! Our preferred method of payment is via ParentPay. If you have problems paying via this method and need to pay by cash, please contact the school office to request the option of paying via PayPoint and they will provide you with a barcoded letter which you can take to your nearest PayPoint outlet. To order your CDs please fill out the slip below and return it to school by Friday 15th February.

Kind regards,

Miss Killman
