visit to the River Avon

What a fabulous introduction Year 1 had to their brand new topic on Tuesday! We all walked to the River Avon and discussed the direction that the river flows and the fact that it eventually flows to the sea. This led to a discussion around anything that lands in the river could eventually travel to the sea, including litter! We all agree that this is very worrying. We then launched a boat with a camera to capture some of the objects in the river - we will watch this next week and hope that we do not see any litter!

A Big Bengeworth Welcome

What a wonderful first full week we have had in Reception where we have welcomed all of our new boys and girls who have begun their school journey with us. The children have settled so well into their new classes and have enjoyed getting to know their teachers and making lots of new friends. We are so proud of the new Reception children for already showing many of our school values and for starting off their time at Bengeworth in such a positive way! We look forward to continuing getting to know each other even more through our first topic 'Me, myself and I' where we will explore the key question 'Is everyone the same?'

WORLD WAR WOW DAY

Year 5 had a really thought provoking WOW Day. Throughout the day, all children had the opportunity to handle, and in some cases try on, authentic World War I artefacts. Year 5 pupils also explored what soldiers in the trenches experienced, by looking at diary entries of a World War I soldier and examining photos and postcards from the period.

Marvellous Medicine

Year 2 have had a fantastic start to their new topic: 'Marvellous medicine'. They have been exploring different job roles within the NHS and we have found out that we have some parents that work in the NHS too. We have explored our key text: Paddington goes to the hospital and we are very excited to learn new vocabulary and knowledge based around our topic. Well done Year 2, what a super start to the topic.

Reading with Betsy

At Bengeworth CE Academy, we are incredibly fortunate to receive visits from Betsy, a certified Therapy Dog. Betsy is a beautiful Golden Retriever and a fully qualified Pets as Therapy dog who is an integral part of our school community. She works with children across the school, listening to them read as part of the Read2Dogs scheme. If for any reason you would like to opt your child out of the therapy dog program, please inform the school office and we will add your child to our 'no contact' list.

Curriculum+ Clubs

We have an exciting range of after school clubs beginning next week, these will run for 5 weeks. The last session of each club will be in w/c 14th October.

Well done to the fabulous Miss Floisand who has been very busy over the Summer holidays creating a mobile Speech and Language unit. She has beautifully handcrafted all the resources. The unit can be easily transported between bases and is proving very popular with the children!

Thank you to Miss Floisand!

Battle of Britain Memorial Service

Pupil Parliament did a fantastic job representing Bengeworth during the Battle of Britain Memorial Service. Parliament pupils were asked to plant crosses on the graves and their impeccable behaviour was commented on by members of the public.
