## Learning Outside the Classroom

Year 3 held their first LOTC day this week and participated in various activities that looked to build their teamwork and collaboration skills. Children explored the forest school area at King's Road and created different art pieces, inspired by our current topic and rangoli patterns. We also looked at the eight points of a compass and developed our geography skills too.

## 4 Avon Class Assembly

On Tuesday 17th September, 4 Avon performed their class assembly to parents and fellow students. The assembly was all about their inspirational leader, Nelson Mandela and was full of songs, dancing and drums. The children's lines were very well rehearsed in such little time. Well done!
