Friday 27th September 2024

In Collective Worship this week, the children learnt about the story of Ruth and Naomi. They reflected on the characteristics such as courage, kindness and loyalty shown in the biblical story. Lots of ideas were then offered about how to be a good friend linked to our school value of friendship

## Safari Park Visit

A group of four pupils were lucky enough to visit West Midlands Safari Park on Friday of last week. Natalie and Amelia were the lucky winners of our Attendance Counts Evesham logo design competition. They each chose a friend to accompany them on the trip and had a wonderful day watching the animals and experiencing the rides. Thank you to Mrs Gallot for accompanying them and to TDMS for organising the day.

## Blackminster visit to Year 5 children

Year 5 had a visit from Mrs Baldwin from Blackminster Middle School on Tuesday, and there were ample opportunities for questions about how the Middle school operates and what they offer. Children were excited by the number of clubs on offer, and the food choices available! The Blackminster Middle School Open Evening takes place on Thursday 3rd October from 5pm.

## CONSIDERATE PARKING

We would like to ask all parents and carers to remember to park considerately both in the morning and in the afternoon, and ask that they do not park on double yellow lines or the zig zag lines outside school in order to prevent avoidable accidents. We also ask that parents and carers do not park across our neighbours' drives.

## YOUNG VOICES

Children are off to a wonderful start learning songs for the Young Voices concert in January 2025. It is lovely to see so many familiar Year Five faces to the choir as well as lots of new Year Four children eager to join in with the experience. We will keep you posted with our progress in rehearsals!

## Reading with Betsy

At Bengeworth CE Academy, we are incredibly fortunate to receive visits from Betsy, a certified Therapy Dog. Betsy is a beautiful Golden Retriever and a fully qualified Pets as Therapy dog who is an integral part of our school community. She works with children across the school, listening to them read as part of the Read2Dogs scheme. If for any reason you would like to opt your child out of the therapy dog program, please inform the school office and we will add your child to our 'no contact' list.

## Debutots

Today, some of the children from Nursery attended their first Debutots session at Cavendish Park Care Home. We played games, listened to stories and most importantly made new friends. Well done Nursery, you showed exceptional behaviour at all times.
