## Stone Age Adventures

Year 3 started their new topic by coming into school dressed as if they were from the Stone Age on Wednesday. They took part in a variety of activities, including mammoth hunting, Stone Age orienteering, and creating artwork with natural materials. What a fun way to introduce their learning about this fascinating period of time!

## Exploring, learning and getting muddy at Sandfield Farm!

Year 1 had the most fantastic introduction to their new topic 'Woodland Friends' this week, when they visited Sandfield Farm. Learning about woodland animals and their diets, building habitats for them and identifying some key features of woodland. The children also thoroughly enjoyed getting very muddy in the Forest School area! A big thank you to Farmer Emma at the farm for having Year 1.

## WINTER UNIFORM

As we have now reached half term, children should return to school in Winter Uniform. For more information regarding this, please see our school uniform page on our website here. We politely ask that, during the half term break, parents and carers check that all uniforms are clearly named.

## Librarian wanted!

Could you help? We are looking for a Parent or Carer Volunteer who would be interested in helping out in our King's Road Library with admin tasks.

If you think this could be you, please get in touch with the school office, Mrs Judge or Miss Clover.

## CHILDREN IN NEED

To join in with this year's theme of 'Make Life Lighter for Children,' we would like to invite the children to 'Bring a Bear' into school on this day to join them for their learning. Please can you make sure that the bears are an appropriate size to have in school. To raise money for this important charity, we are setting the children at each base a challenge to cover Pudsey's face with coins. We would be really grateful if you could make a donation using a variety of coins on this day.
