When the rainbow appears in the clouds... I will remember the promise that continues forever. It is between me and every living thing on the earth. – Genesis c9 v16

Our Young Voices choir belted out song after song at Resorts World Arena on Tuesday evening. As part of a choir of more than 6000 voices, the children sang well known songs from Bob Marley classics to tunes from the musical 'Hairspray'. They were joined in their performances by artists such as MC Grammar, street dance crew 'Urban Stridez' and Strictly Come Dancing lead singer Tommy Blaise. As ever, the concert was magnificent and a very special event to be part of. A huge well done to the Young Voices Choir not only for their commitment to the club and for their beautiful singing and impeccable behaviour on Tuesday evening!

In collective worship this week, Kings Road children learned about neurodivergence and autism, discussing how every brain is unique, differences should be celebrated, and how to support neurodivergent peers. At Burford Road, they reflected on the perseverance of the Wise Men and thought about how they show perseverance in their own lives.

## Bengeworth Country Quiz

Congratulations to our latest winners, who correctly guessed that the country in the Curiosity Box was India! Well done to everyone who took part in this fun quiz.

We had an excellent start to the new term with our whole school attendance over 96% for the first time this year. Just a reminder above of the importance of good attendance. 'Good' is classed as anything above 90%. As always, if you are concerned about your child's attendance, do not hesitate to contact your child's class teacher or Mrs Katy Roleston.

## Sensory Walk

The Ark continued to focus on 'We're Going on a Bear Hunt' this week and took a sensory walk. They explored walking through grass, water, leaves, pebbles, cold icy water and mud and enjoyed retelling the story using these sensory props! Lots of fun (and mess!)

We would like to remind parents that children must bring a warm coat to school each day. If they do not have a coat, they may not be allowed outdoors during the school day.

## EXPLORING, CHOOSING, AND SHARING STORIES!

This week the whole of Reception visited Evesham Library to explore the huge array of texts they have on offer. All children experienced a tour of the library as well as the opportunity to choose texts they thought they would enjoy. They shared their stories with their friends and also chose some books to bring back to their classrooms. At the end of our visits, the children listened beautifully to stories told by the librarians. We cannot wait to go back again in a couple of weeks to exchange our books and spend more time reading together.

**Herefordshire and Worcestershire Integrated Care System**

A new website has been created to support children and young people, as well as their families, who find themselves experiencing long waits for appointments with health services in Worcestershire.

These include appointments for Community Paediatrics, Umbrella Pathway, Occupational Therapy, Physiotherapy and CAMHS.
