Reception Phonics Meeting

Thank you to all the parents who attended the Reception Phonics meeting. The children enjoyed sharing their learning with you and we hope that you took away some useful tips on how best to support your child with their phonics learning at home. For those parents who could not attend, we will be holding another phonics meeting in Autumn 2. Please look out for your letter inviting you to this.

RECEPTION VISIT KINGS ROAD

Last Friday the Reception children visited our Kings Road setting. They have been learning all about their new school and wanted to see where the other boys and girls learn. The behaviour of the children was exemplary. Well done Reception!

Online Safety

Below is a QR code link to Google Family Link which is a fantastic website that explains how everyone within your family can stay safe online, set ground rules for online usage, top tips and recommendations on how to stay safe and alert online. The website will also guide your child in recognising 'good' online content. To follow the link, use the camera app on your phone or tablet (if available) or use a QR Reader app.
