These children proudly shared their progress and achievements with Mrs Potter and Mrs Lowe whilst enjoying a delicious cake.

#### Little Stars

#### Golden Assembly

Congratulations to Alfie, Harper, Lottie, Cameron, Nicole, Jack, Laura, Owen, Maksymilian, Ollie, Tayler and Yman.

This week has been a fantastic week for everyone with many thanks going to our school Eco Warriors for their organisation. The children came up with the ideas during pupil leadership meetings which then became a reality, resulting in all children completing a litter workshop and have attended visits into the local environment to see what litter they could find. Karen (WCC - Eco Advisor) commented on the respect that she was shown by all pupils and has spoken about how much she enjoyed working with such a wonderful school. Well done to everybody involved.

### Jubilee Celebrations

Next Thursday, we will be celebrating the Queen's Platinum Jubilee with a fun filled day. Children will be staying in year groups to complete a range of fun activities throughout the day. One of these activities is a fun session filled with inflatables. With this in mind, and the fact it is of course the Queen's Jubilee, please may we ask that children come to school in red, white and blue sports wear with trainers (school PE kit can also be worn). All children also need to bring a packed lunch into school for this day.

### Let's Build a Castle!

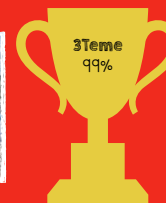

Huge congratulations to ITeM who performed their Castle Class Assembly to children and their parents this week. The children were absolutely fantastic and explained the history of castles through singing and acting. They all showed our school values and should be so proud of themselves!

We are very proud of these beautiful sculptures which have been created for the Young Voices New Visions exhibition at Worcester Cathedral by children in Year 3, as well as the Reception and Year 1 Art Club. The show will run from Sunday 22nd May to Sunday 26th June in the medieval cloister area of the Cathedral and is based on the theme 'life'.

It is promised to be a mesmerising exhibition so please do go along to show your support!

## Specialist Provision - Week 13

Year 2 - Tuesday  
Reception - Wednesday  
Year 1 - Thursday

Please can we ask that children wear long trousers for forest school even in the warm weather as it protects their legs from brambles, branches and stinging nettles. They can bring in a pair of shorts to change into for after the session.

## R U N N I N G C L U B

Well done to everybody who has demonstrated our value of perseverance over the past few weeks in our after school Running Club. These children have played many running games, but have valiantly finished each session with a 12 minute run!

Whilst some participants still have to stop to walk for a while, children's perseverance has paid off and has resulted in most children running for the majority of the time, with some jogging for the full 12 minutes! Well done everyone!

## Art Club get colourful!

This week the Reception and Year 1 Art Club have designed their own Elmer, carefully colouring in the background and sticking on a patchwork of coloured squares.

## Reception and Year 1 Art Gallery

Children in Reception and Year 1 have been working hard over the last few months developing their art skills and would love to show off their finished pieces of art at our gallery. Please come and be impressed by the children's talents and progress on Wednesday, 8th June from 3:00pm until 3:30pm in the Burford Road hall.

Well done to Archie in Year 5 who has been awarded a certificate for his outstanding support for the Royal British Legion over the past 5 years. We are very proud of you Archie!

## Yr4/5 Football Fixture v St Richards

Wednesday saw our football team's third league fixture against St Richard's. What a display of perseverance and great team work! A hard fought match from all involved saw the team win 2-0. Well done to everyone!
