THIS WEEK'S ACHIEVEMENTS

Golden Tea

Congratulations to Lottie, Presiyan, Lexie, Nikolay, Dominik, Aleks, Lena, Isla, Amelia, Lily-April, Lake and Oliwia.

These children proudly shared their progress and achievements with Mrs Shaw and Mr Coaché whilst enjoying a delicious cake.

Little Stars

Congratulations to Lacey, Emmy, Phoebe, Lily, Jakub and Aleks.

Golden Assembly

Congratulations to Ella, Layla, Emily, Sean, Mason, Brody, Daniel, Alex, Lily-Rose, Oliver, Harrison and Mason.

Reception's Bengeworth Beach

Reception children came ready for the sun on Tuesday when they enjoyed a wonderful day exploring Bengeworth Beach, investigating rock pools, making up their own Punch and Judy shows, entering limbo competitions and much more. The children even had time for an ice cream! What a fantastic way to begin their new topic, 'The Magic Train Ride'.

STRANDED

As part of their WOW Day for their new topic, 'Stranded', children in Year 5 were tasked with the challenge of building shelters as if they were stranded on a deserted island. Teamwork, perseverance and communication were at the forefront of their minds and a great morning was had by all!

Bank Holiday - A reminder that next Monday, 2nd May is a Bank Holiday and school will be closed. We return again on Tuesday 3rd May.

WELCOME BACK TO THE Summer Term!

Walk-in Tuesday

Don't forget to come into your child's class at the end of the day next Tuesday 3rd May, to share their learning and progress so far this term.

Mrs Thornley wins the Cavendish Park Easter Raffle for Bengeworth Staff

Our very kind and generous friends at Cavendish Park Care Home donated an Easter Hamper to Bengeworth staff to say thank you for all of the good work we're doing for children and families in Evesham. We held a raffle and the inspirational Mrs Thornley was the very deserving winner of some early Easter treats! We look forward to resuming our regular visits to the residents of Cavendish Park over the coming months.

FORGIVENESS

Now that the weather has improved, we would like to remind all parents and carers that a long-lasting high factor sun cream should be applied to your child before school. Please do not send in any sun cream for children to apply themselves.

School Uniform

Children are now welcome to wear summer uniform which they may find more comfortable as the weather gets warmer. Full details of this can be found on our website ([Click Here](#)).

However, please can we remind parents that a summer dress should be worn with white ankle socks or white knee length socks (not over the knee socks or tights) and that children should continue to wear black school type shoes, not trainers or open-toed sandals, regardless of whether they are wearing winter or summer uniform.

Welcome Medieval Lords, Ladies and Knights of the Realm!

This week the children have started their brand new topic "On Guard" during which they have explored lots of different medieval activities such as dancing, weaving and tasting different medieval foods. It was a delight to see all of the children in their fantastic medieval costumes and really explore the different roles of people who lived in this period of history.

A Titanic Task

As part of their WOW day introduction to their new topic 'Life On Board', children in Year 3 collected recyclable materials and worked in groups to create their own Titanic ships. They thought carefully about the materials they would need and the colours they would use and after building their ships, evaluated their work noting what went well in addition to areas they would improve if they were to make the ship again. Well done for all your excellent teamwork Year 3.

YEAR TWO DIVING DISCOVERY

Over the Easter break, children in Year 2 were left a series of clues from a mysterious visitor. Using their detective skills, they discovered that the visitor must have been a scuba diver! After all of their hard work, the children enjoyed a beach afternoon full of water fights, face painting, games and ice cream.

BRITISH SCIENCE WEEK COMPETITION

This year the theme of British Science Week 2022 was 'Growth' and we would like to thank everyone for all their brilliant entries! We are delighted to announce the winners of our School Science competition:

Year Four Webinar with author Hannah Gold

Year Four pupils joined another five thousand pupils around the country this week on a live webinar with award winning author Hannah Gold. Hannah's book 'The Last Bear' is Year 4's class text for this half term and recently won the prestigious Waterstone's Children Book of the Year award. Hannah's latest novel, The Lost Whale, has just been released too. Hannah talked about her stories and what motivated her to write them.

She inspired the children with stories of her past and gave them the opportunity to ask her some questions about her work. Signed copies of both of her texts can be purchased from the following website <https://spaldingbooks.square.site/>
